## 2. Legislation and guidance

This plan complies with the [Joint Council for Qualifications \(JCQ\) General Regulations for Approved Centres](#), which requires all exam centres to have a written examination contingency plan/examinations policy.

This plan is also based on:

- Ofqual's [guidance on contingency planning](#)
- JCQ's contingency plan, which is now included as para 3.16 onwards of the aforementioned [JCQ General Regulations for Approved Centres](#), and also section 15 of the [JCQ Instructions for Conducting Exams](#).

## 3. Responsibilities

### 3.1 Head of Centre

The Head of Centre is the Head Teacher, who will ensure that a written examination contingency plan/examinations policy is in place and covers all aspects of examination administration.

The Exams Officer is Liz Hallissey, who will ensure that all relevant staff including exam assistants and invigilators are aware of the examination contingency plan

### 3.3 Staff and Invigilators

Staff and invigilators involved in the Centre's exam process are responsible for reading, understanding and implementing the contingency plan under the guidance of the Exams Officer and Head of Centre.

## 4. Monitoring arrangements

This policy will be reviewed by the Exams Officer every year in the Autumn term. At every review, the policy will be shared with the governing board.

The Exams Officer will also monitor relevant guidance and updates from JCQ and the Department for Education (DfE) regularly, and initiate a mid-review update of the plan where needed and in consultation with the Head of Centre.

## 6. Further guidance to inform and implement contingency planning

### **JCQ guidance:**

#### **Contingency planning**

The qualifications regulators, awarding bodies and government departments responsible for education have prepared and agreed information for schools and colleges in the event of examinations being seriously disrupted. This jointly agreed information will ensure consistency of response in the event of major disruption to the examinations system affecting significant numbers of candidates.

In addition, awarding bodies have their own well-established contingency plans in place to respond to disruptions. It is important that exams officers who are facing disruption liaise directly with the relevant awarding body/bodies.

Centres should prepare plans for any disruption to examinations as part of their general emergency planning. It is important to ensure that relevant centre staff are familiar with the plan. Consideration should be given as to how these arrangements will be communicated to candidates, parents and staff should disruption to examinations occur.

In the event that the Head of Centre decides the centre cannot be opened for scheduled examinations, the relevant awarding body must be informed as soon as possible. Awarding bodies will be able to offer advice regarding the alternative arrangements for conducting examinations that may be available and the options for candidates who have not been able to take scheduled examinations.

The awarding bodies have designated 'contingency days' for examinations in the Summer 2025 series. This is consistent with the qualification regulators' document Exam system contingency plan: England, Wales and Northern Ireland. The awarding bodies have designated the afternoon session of Wednesday 11 June 2025 and the morning and afternoon sessions of Wednesday 25 June 2025 as 'contingency sessions' for examinations.

## National Cyber Security Centre

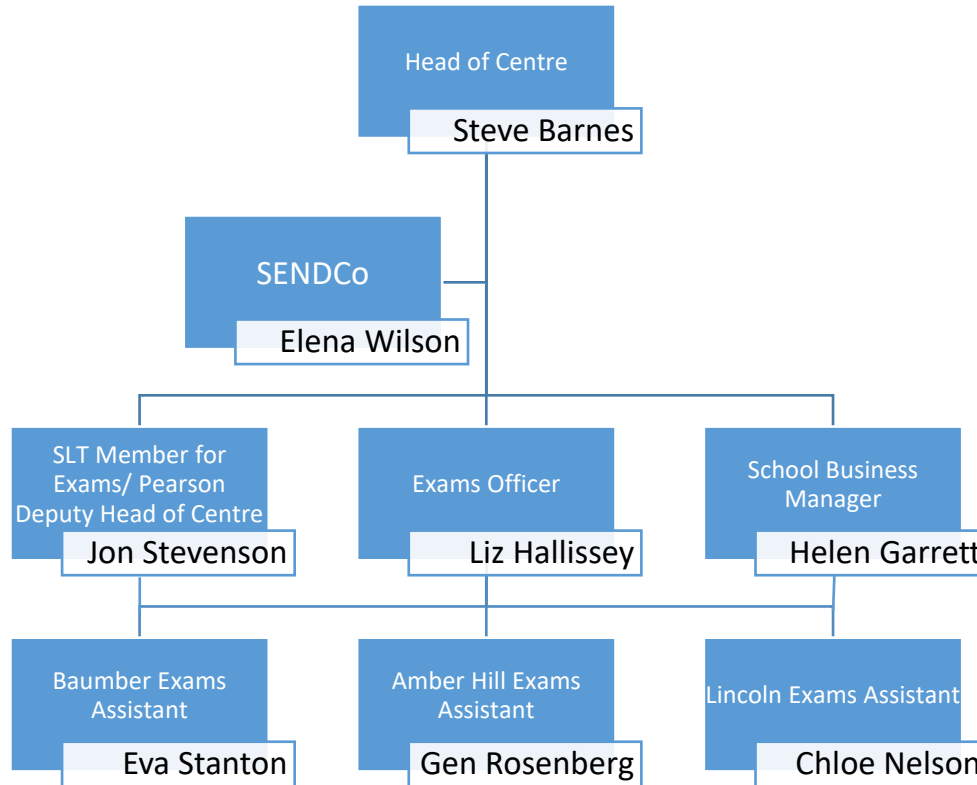

The NCSC's free [Web Check](#) and [Mail Check](#) services can help protect schools from cyber-attacks. Two NCSC cyber security services, which are already helping thousands of organisations to protect their websites and email servers from cyberattacks, are now available to **all UK schools**. Both tools are available free of charge, are quick to set up, and thereafter run automatically.

The Department for Education has been asking centres to review **National Cyber Security Centre advice** following increasing number of cyber-attacks involving ransomware infections. The NCSC information supports centres in cyber security preparedness and mitigation work. Ransomware attacks continue and the Department is reminding centres to review the NCSC advice and to take precautions. This includes ensuring that you have backups in place for your key services and data.

For ease of reference, the Department has highlighted key links relating to the NCSC cyber security guidance below:

Appendix 1: Examinations Staff Organisation Chart

During an examination series:

SLT Member for Exams will run exams at Baumber Centre with support of the Exams Assistant.

Exams Officer will run exams at Amber Hill Centre with support of the Exams Assistant.

School Business Manager will run exams at Lincoln Centre with support of the Exams Assistant.

In the event of staff absence, SLT Member for Exams, Exams Officer and SBM can all undertake Exam Assistant duties at all sites and Exam Assistants can all undertake duties at other sites.

## Appendix 2: Agreed alternative venues

The Pilgrim School has three JCQ approved Centres at the following addresses:

NCN 26337 / VQ 26313C - The Pilgrim School, Sutterton Drove, Amber Hill, Boston, PE20 3RQ

NCN 26341 / VQ 26313B - The Pilgrim School, Lincoln Rd, Baumber, Horncastle, LN9 5ND

The Exams Officer, SLT, Teachers and support staff work across all three bases and can therefore move candidates if needed to another centre in the event of disruption at the exam centre. Each base also has access to wi-fi and can download exam papers if needed.

In the event of disruption necessitating a move to another venue outside of our Centres, we would use:
